

Dear College of Humanities Faculty and Staff,

The College of Humanities Staff Council is accepting nominations for the Stellar Staff Award! In order to be eligible for this \$50 cash award, you must be a staff member of the College of Humanities and be:

1. Friendly
2. Helpful
3. A good example
4. Understanding
5. Hard working
6. Dependable
7. A problem solver
8. Any or all of the above

If you have witnessed staff stellarocity (yes, it's a word) within the College, please make a note of who and what occurred, drop it off in the Dean's Office, 2100 LNCO, or reply to this email and that staff person will be a candidate for this award! This is a fun way to recognize our oh-so-valuable yet under-appreciated staff, so please nominate someone!

Thank you,  
C.O.H. Staff Council
